Dear Barrington Planning Board,

We are scheduled to be on the February 2nd Planning Board meeting. We currently are still working on the engineering updated plans and submittal to Dubois & King. We are hoping to hear back from Dubois & King with enough time to make any necessary adjustments to the plans. We feel it would be best at this time to ask for a continuance to the March meeting in order to submit a complete set of updated plans.

Thank you for your time.  
Sincerely:

Raymond A. Bisson, LLS PLS
